A PANDEMIC

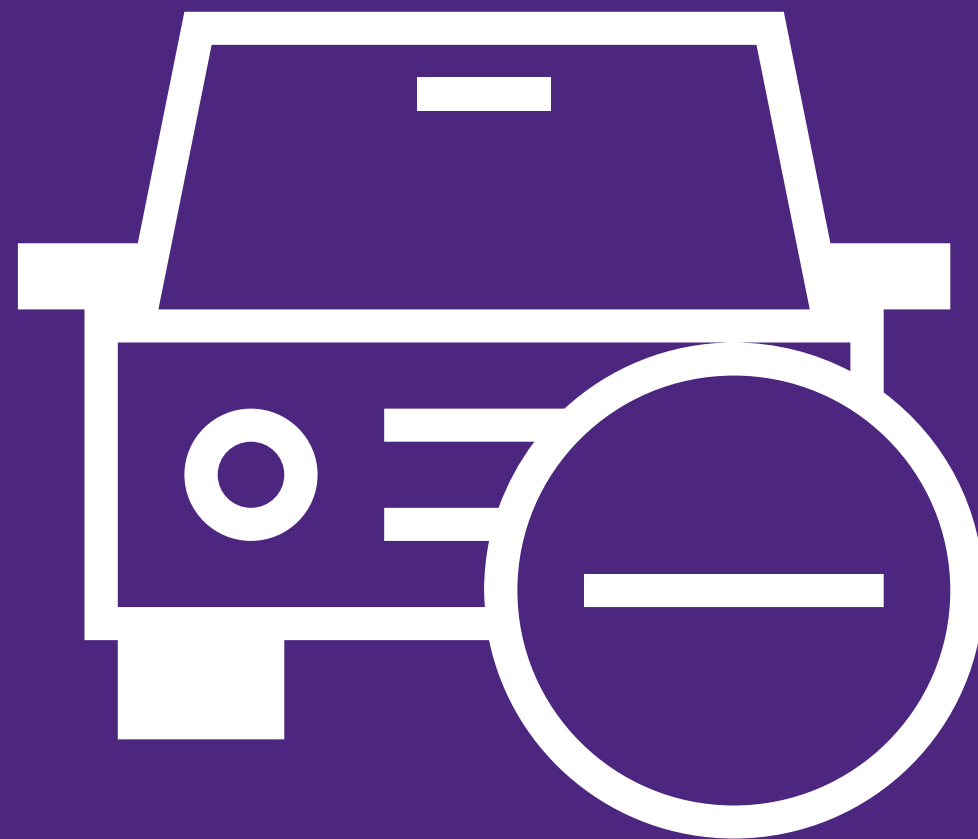

# Utah State Partnership

*People want remote work,  
they want to live in their  
rural communities, and it  
was our job to help them  
figure out how.*

*- Paul Hill, Utah State  
Extension*

# Tools Required

What's Needed to Succeed

---

- RELIABLE BROADBAND
- WEB CAMERA & MICROPHONE
- BASIC COMPUTER PROFICIENCY

## Course Offerings

### ***The Professional Course***

This educational program is designed to equip workers with the tools and skills needed to transition from on-site work into a virtual career.

Cost - \$199

### ***The Leader Course***

This course is designed to engage organizational leaders in appropriate techniques, curricula, and resources for the development of a remote work environment within their institutions. Emphasis is placed on approaches to managing remote employees and designing remote jobs. Cost - \$249

(OR TEACHING ASSISTANTS)**

# CERTIFICATION

The image features a person's hands typing on a laptop keyboard. The background is a dark, teal-tinted world map. Overlaid on the map and keyboard is a network of white lines connecting various social media icons, including person silhouettes, speech bubbles, envelopes, and cameras. The entire scene is framed by a thick purple border.
